IBAN: NL97 RABO 0150 9432 10  
BIC: RABONL2U

As a manufacturer of mechanical parts, *Fijnmechanische Industrie TOUW B.V.* is a "downstream user" in the sense of the regulation for Registration, Evaluation, Authorisation and restriction of Chemicals (REACH). You obtain only products from us. Our suppliers from EU countries are obliged by REACH legislation to inform us when a product contains a substance of very high concern (REACH article 59) with a concentration of more than 0.1% by weight. Suppliers outside the EU are obliged by our purchasing conditions to inform us.

Based on the actual information by our suppliers (regarding Article 33) we can confirm, that all our products do not contain any of the substances specified in the so-called ECHA "candidate list" SVHC-Substances of Very High Concern (REACH Article 59) with a concentration of more than 0.1 % by weight.

*Fijnmechanische Industrie TOUW B.V.* and its suppliers will regularly review the actual ECHA "Candidate List" for additions and updates and will act accordingly in compliance with REACH regulations. The actual candidate list is provided on the European Chemicals Agency website under the following address: [http://echa.europa.eu/chem\\_data/candidate\\_list\\_en.asp](http://echa.europa.eu/chem_data/candidate_list_en.asp)

In the unlikely situation that a one of our products contains a substance listed in the ECHA "Candidate List" SVHC (Article 59) with a weight of > 0.1%, we will promptly fulfill our obligation to provide you with the necessary information.

Name: J.P.L. Touw

Function: Managing director

Fijnmechanische Industrie TOUW B.V.
